Table availability for our non-resident guests

Belmond Le Manoir aux Quat'Saisons operates a three months booking policy for non-residential guests.

We take reservations three months ahead on the first of each month. For example, on the 1st February we open the bookings for the whole month of May, on the 1st August we open the bookings for the whole month of November. Our reservations lines open from 9:00am on the day.

There is generally more availability for a lunch table rather than dinner as we hold dinner tables for our resident guests who are guaranteed a table for dinner. We have 32 tables within the restaurant and we have 32 bedrooms.

We monitor an active wait list and tables frequently become available nearer the time of arrival. We would always advise you to stay with us on a Friday and Saturday to ensure that you are able to secure a table for dinner.

In order to ensure the very best dining experience for you and your guests we will advise you of the time you will be seated at the time of booking. Should you arrive after your booking time we may need ask you to wait. Your table is yours for the whole of any service and we do not ask you to vacate your table.

Tables are allocated on the day and we will do everything we can to allocate a table in your preferred area of the dining room, however, we cannot guarantee this.
