

# LA RESIDENCIA

A BELMOND HOTEL  
MALLORCA

## MAKE FABULOUS FAMILY MEMORIES IN DEIÀ

Fun-loving families will discover an exciting playground in our sun-splashed Mallorca hideaway. Younger guests can get busy, sporty and creative at our supervised children's club. What pastimes await?

Try pottery with our resident sculptor, have a smashing time on the tennis court or meet and greet our adorable donkeys.

### IT'S CALLED SMILE CLUB FOR A REASON!

Our Smile Club is where the magic happens. Children aged 4 and up can join our English-speaking supervisor for a day or thrilling activities. Parents and nannies needn't feel left out: you're welcome to come along too.

## WE'RE HERE TO MAKE YOUR LIFE EASY

On arrival, you'll find your room or suite prepared with your little ones in mind. A cuddly toy, children's slippers and bathrobes, cribs and highchairs are ready and waiting. But don't hesitate to request:
