ACTIVITIES IN THE HOTEL

IN OUR ROOMS & SUITES

We provide children with special Welcome Amenities and a Kit including our little stuffed lion Rory, a special T-shirt, slippers and bathrobes, disposable bottles, cribs and high chairs.

IN OUR RESTAURANT

A Children's Menu is available through Room Service and in our restaurant. Drawing and coloring sets can be provided to occupy the little ones at the table.

IN OUR COOKING SCHOOL

Our Young Chefs Academy is specially designed to teach basic nutrition, to sharpen the senses and to arouse curiosity. Youngsters learn how to recognize fresh foods and to cook Italian specialities such as pasta, handmade gnocchi and Tiramisù. The Academy is available from June through August, upon request and availability, for children from 6 to 14 years old.

PICNIC IN THE GARDENS

A picnic basket full of surprises and typical Tuscan snacks is waiting for you in our gardens, where you and your family can spend the day amidst nature. Tuscan wine and titbits of cheese and ham for the parents; while kids will munch on savoury filled flatbreads and a surprise from the chef!

KIDS' CONCIERGE

A dedicated Concierge for Kids and families, to help them organize tailor-made visits of the city, adapting his proposals to the age and interests of the younger ones. He has many enticing activities in store. A treasure hunt in some of Florence most famous museums, a visit to an ice-cream factory or a street art tour, as well as rafting on the river Arno are just a few examples.
