

LINDEN SPA

*The Botanical  
Art of Wellness*

*Named after the Linden trees that grace the resort, our spa offers luxurious treatments designed to heal your mind, body and soul.*

*A private, 5,400-square-foot oasis, combined with an outdoor heated pool & fitness center and surrounded by peaceful gardens along the scenic Miles River and tranquil Fog's Cove, Linden Spa is the ideal place to relax and rejuvenate.*

## SPA TREATMENTS

Linden Spa features experienced spa therapists well versed in effectuating custom therapies to dissolve tension and melt away stress. Treatments range from soothing to result oriented facials and relaxing to detoxifying body treatments. Utilizing a refined collection of exclusive products.

Our inviting couples suite is designed for the ultimate comfort and indulgence featuring side-by-side deluxe spa treatment beds and two person shower to relax and unwind together with the one you love.

## MASSAGE TREATMENTS

**Soothing:** This unique massage uses a variety of techniques to encourage blood flow. It stimulates the skin and energizes the nervous system while soothing the body. It will lead you into a deeply meditative state while reviving your spirit.

**Deep Tissue:** A massage tailored to target areas of tension, soreness and chronic stress. Using powerful strokes this curative session helps to improve flexibility and mobility. This is an ideal massage for those who prefer stronger pressure.

**Hot Stone:** Surrender to the warmth of heated River Rock stone soothing massage. Melting away tension with your preferred, customized flower essence oil.

**Moon & Tide Prenatal:** A pampering combination of light to medium pressure to soothe the body, mind and spirit.

**Reflexology:** Initiate self-healing of the body by applying pressure on specific points of the feet alleviate discomfort, congestion and stress in corresponding areas of the body.

**Foot Massage:** A great way to enhance your massage. Sea salts and a blend of essential oil combined to scrub away rough skin. This is followed by a hydrating foot massage.

**Scalp & Face Massage:** Using a combination of light touch and holds to facilitate a deep state of balance designed to bring you to a true state of relaxation.

**Herbal Poultice Massage:** Warm, healing herbal poultice combined with heated essential oils and flower remedies are used to gently massage the body with rolling, kneading motions, relaxing the muscles while stimulating blood circulation and energy flow.

## **BODY TREATMENTS**

**Freedom:** Restore your radiance with this energizing scrub. Organic sugar espresso and cacao exfoliation with banana flower remedy. Espresso and cacao stimulate the skin while Banana flower helps free your mind. An application of Clary Sage and Neroli essential oil with flower essences of Pomegranate and Red Clover. Dissolves fatigue, promoting balance while boosting the immune system.

**The Glow:** Enhance optimism and possibility with this body scrub. Begin with organic sugar packed with various kinds of antioxidant-rich berries. Essential oils of citrus and vanilla are mood-uplifting, while strawberry flower essence enhances a sense of optimism and possibility. An application of mimosa flower and honey oils with peony flower remedy enhances feelings of abundance and gratitude.

**Prosperity:** Begin with organic cardamon sugar scrub with essence of bamboo. Cardamon stimulates the skin and relaxes the nervous system, while Bamboo essence gives you strength and determination. The bamboo charcoal clay mask with rosemary, lavender & peppermint gently draws out impurities while soothing the skin. A body massage with refreshing citrus and spices with night blooming cactus flower helps you reach your full potential.

**Bloom & Bliss:** Your body will be exfoliated using a stimulating espresso scrub followed by a flower petal moisturizing mask with linden, iris & rose, combined with warm coconut milk. A body massage using chamomile and rosewood essential oils infused with passion flower remedy help to boost your ability to blossom, rejuvenate the body and calm the mind.
