BELMOND
LE MANOIR AUX QUAT'SAISONS
OXFORDSHIRE

Dear guests

Let us nurture your natural love of food and provide you with the skills you need to translate this love into beautiful and imaginative cuisine. We are proudly the first Michelin starred kitchen in the UK to have its own cookery school and it remains the best centre of culinary knowledge. Each course provides a hands-on opportunity to develop your culinary skills in a practical and supportive learning environment, as well as being a holiday in the most luxurious and beautiful surroundings and a chance to make new friends. Under the guidance of the school's director, Mark Peregrine and his expert team of chefs, each aspect is driven by ethical, environmental and seasonal values, whenever possible. We look forward to creating exceptional food with you.
