01 RELAX AND REVIVE AT KINAN SPA

We invite you to unwind in our serene spa, named for the Mayan word meaning “healing energy of the sun”. At Kinan Spa, we celebrate the traditions of Mayan culture with ancient rituals, rare indigenous botanicals and a holistic approach to healing.

Built with the spiritual guidance of a family of Mayan masons, our sanctuary is aligned with the stars and positioned in harmony with nature. Many of our exclusive treatments use rich local ingredients, such as chocolate, honey and powerful Mayan herbs. We also embrace “Slow Beauty”, the concept that true beauty comes from within and spreads throughout your body and soul.

Enjoy seven individual treatment rooms, two couple's treatment rooms with jacuzzi, and complimentary use of our wellness circuit (sauna, steam room and plunge pool). You'll also find a Spa boutique, manicure and pedicure station, beauty salon and health bar, Cilantro, where you can order a smoothie or a snack chock-full of fresh fruits and superfoods.

All treatments are suitable for both men and women unless otherwise stated.

Opening times: Daily, 9am-9pm

Access: Kinan Spa is located near the Acuarios Pool

Reservations: Extension 423

02 SIGNATURE INDULGENCES

KINAN RITUAL

EXFOLIATION, BODY WRAP AND MASSAGE 120 MINUTES

Prepare to feel cleansed and renewed spiritually, mentally and physically. We use humble but potent local herbs, infused into warm sheets that are wrapped around your body. The combination of heat and herbs helps draw out unwanted toxins. Next, you'll be invigorated by a full body exfoliation with honey from the Mayan jungle and salt from the Yucatan town of Celestún. Finally, feel the awesome healing power of Kinan Spa through an invigorating four-hands massage.

KAPEH

EXFOLIATION AND MASSAGE 120 MINUTES

A combination of ancient healing therapies creates this incredible sensory ritual. Your journey starts with a four-hands exfoliation with coffee and sesame oil. Afterwards, we remove the coffee grounds using lemongrass-infused wet towels and treat your skin to a hot stone massage with a nourishing wax to deeply relax your muscles. Finally, we turn our attention to your mind, pouring warm lemongrass infusion onto your forehead to calm and restore your nerves, release stored emotions and purify the senses. During the ritual, breathe in the aromas of different essential oils for an even more intense experience.

TEMAZCAL

TRADITIONAL CEREMONY 90 MINUTES

For an authentic Mayan cleansing ritual enjoy the temazcal, a purification ceremony connected to the energy of the universe, the phases of the moon and the elements of life — air, fire, earth and water. Guided by a Mayan shaman, the ritual begins with a healing herb infusion being poured over heated volcanic stones to create an aromatic steam. The vapor, together with the sound of ancestral drums and chants, helps you connect with your inner self, producing a sensation of total cleanliness, tranquility and peace. Private sessions are available, perfect to share with your soulmate as part of a wedding ceremony, honeymoon or anniversary celebration.

APHRODISIAC CHOCOLATE RITUAL

EXFOLIATION AND MASSAGE (COUPLES ONLY) 120 MINUTES

Abandon yourselves to an indulgence of chocolate. We begin by exfoliating the entire body with natural cocoa to leave you ready for your sweet immersion. You're massaged with the finest warm chocolate and then gently wrapped up. Afterwards, a further massage using 100% pure chocolate and coconut cream will leave your senses ablaze. At the end, join your partner in the hot tub for a romantic bath and a glass of champagne.
