**WINE ACADEMY:** Immerse yourself fully in the world of Burgundy wines by signing up for our Wine Academy. Throughout, your experience is brought alive by Grands Crus specialist Pascal Wagner—often referred to as “a walking encyclopaedia of oenology”. [Click for information.](#)

**PAUL DAY SCULPTURE:** Enjoy a private visit to the studio of British sculptor Paul Day, whose contemporary, high relief works in terracotta, resin and bronze have been widely exhibited throughout Europe. You may already be familiar with his statue of a couple embracing, called The Meeting Place, at St Pancras Station, London, or his Battle of Britain monument on London's Embankment. Meet the artist at home, ask him about his work and inspiration, and view his private collection.

**TRUFFLE HUNTING:** Set off on a forest adventure to uncover the black jewel of Burgundy. Accompanied by an expert harvester and his highly trained dog, you'll hunt under the trees for the elusive Truffe de Bourgogne. Afterwards, enjoy a degustation of this most aromatic prize.
