EXPERIENCES

BELLINI ACADEMY: The Bellini was born in Venice in 1948. This iconic cocktail was created by Giuseppe Cipriani, the historical founder of our hotel, for an art exhibition dedicated to Venetian painter Giovanni Bellini. The inspiration came from the rosy shades used by the painter. Since then, the Bellini has become incredibly popular all over the world. During the lesson you'll learn to prepare the perfect Bellini, under the expert eye of Head Barman Walter Bolzonella.

EDIPO RE: Sail to the remote islands of the Venetian Lagoon aboard Edipo Re, the boat that once saw love blossom between Maria Callas and Pier Paolo Pasolini. Explore rarely-seen parts of the city before returning to the boat for lunch or dinner, cocktails and canapés, or a tasting of exquisite local produce such as cult caparossoli clams.

VENETIAN ROWING ACROSS THE LAGOON: The Venetian rowing technique has ancient origins, which root back to the 5th century. It is truly unique as it adapts to the specific needs of the lagoon environment, with very narrow canals. Dive into the Venetian traditions with a local rowing champion, Gloria Rogliani, who will enhance your performance as fast as a lesson of one hour and a half. This experience is ideal for families who love having fun outdoors.
