EXPERIENCES

DISCOVERING MOUNT ETNA: Embark on an exciting adventure surrounded by Sicilian nature on top of Mount Etna, the highest active volcano in Europe. In this awesome setting, you'll find a sommelier poised to pour you a glass of Etna sparkling wine and serve it with local delicacies such as almonds and pistachios. Finally, replenish your energy with a tasty lunch and wine tasting in a local winery on the North slope of the volcano.

DINING UNDER THE STARS: Is there any better way to celebrate a special occasion than a candlelit dinner under Taormina starry sky? A private table for two on our exclusive terrace awaits. Taste Sicilian flavours under the stars as you admire Mount Etna and the Naxos Bay at your feet. A dedicated service will give you the opportunity to taste a personalised menu signed by Chef Roberto Toro, recently awarded with his first Michelin star.

APE TOUR: TAORMINA ON THREE WHEELS: Jump aboard a famous Ape Calessino to discover Taormina and its surroundings in perfect dolce vita style. The first stop is at Casa Cuseni, an international artistic and cultural centre built in the early 1900s by English painter Robert Kitson. Continue towards the bays of Taormina where you'll find Isola Bella natural reserve. End the tour on the peaks of Castelmola village, perhaps with a wonderful sunset.
