The Beginning

IT POSES AN INTERESTING QUESTION, the beginning. The enigmatic capital letter on a sentence yet unwritten.

Perhaps ours began in 1976, when a charismatic entrepreneur purchased the CIPRIANI, Venice's most glamorous hideaway. Perhaps it began when he decided to reinvent the world's most romantic train that same year, so the hotel's illustrious guests could arrive in style.

Perhaps it began even earlier. Maybe when Michelangelo decorated the façade of a monastery in the Tuscan hills of Fiesole, or with a clandestine meeting between Rasputin and St Petersburg's high society. Perhaps it began with HIRAM BINGHAM finding a route back to the lost city of the Incas.

Perhaps in the beginning there was nothing, and a nameless voice said "let there be light." Then they brought the canapés.

Our beginning is wrapped in legend and secret; pioneering firsts and time-tested traditions. Perfumed secrets in ancient palaces and jewel-coloured fireworks on a golden beach. Champagne was definitely involved.

Each of these fabled yesterdays weave into the adventure of today. Follow BELMOND to 46 unforgettable travel experiences peppered across the world's most celebrated destinations.

Find your balance on the shores of Bali or party into the night in Portofino. Sail to the hidden villages of Myanmar or rumble along the tracks through Asia's emerald jungle as the pianist plays.

Wherever you go, you'll collect magical memories like postcards.

"Make voyages. Attempt them. There's nothing else." If the philosophy was good enough for Tennessee Williams, it's good enough for us.

The Beginning

HOTELS, TRAINS, RIVER CRUISES, SAFARIS – each remarkably different, but each following our tried and true recipe. Warm smiles, unforgettable characters and breathtaking destinations, shaken with a copious dash of glamour and a pinch of guilt-free indulgence.

But here's the secret ingredient. It wouldn't be the same without you.

There you are in Venice, with the waiter who remembers that your day always starts with a double Americano and sparkling water. The same waiter who remembers that your evening always starts with a Bellini and olives.

There you are, cruising down the Mekong River at sunset, on your way to witness a Laotian temple few tourists ever see. There's you are on horseback, ready to ride through Botswana's untamed Okavango Delta. There you are, face lit by the stage light, in your private box at the Mikhailovsky Theatre. There you are, on your suite's balcony, soaking up the Rio view that so captivated Ella Fitzgerald, Gene Kelly and Orson Welles.

There you are. A thousand possible adventures. Each impossibly perfect.

So pack your bag and let the world be your oyster. BELMOND will be the glass of bubbles on the side. And if they ask about tomorrow, tell them it can wait.

Today is just too perfect.

*"So I find words I never thought to speak,
In streets I never thought I should revisit,
When I left my body on a distant shore."*

T.S. Eliot

Coast To Shining Coast

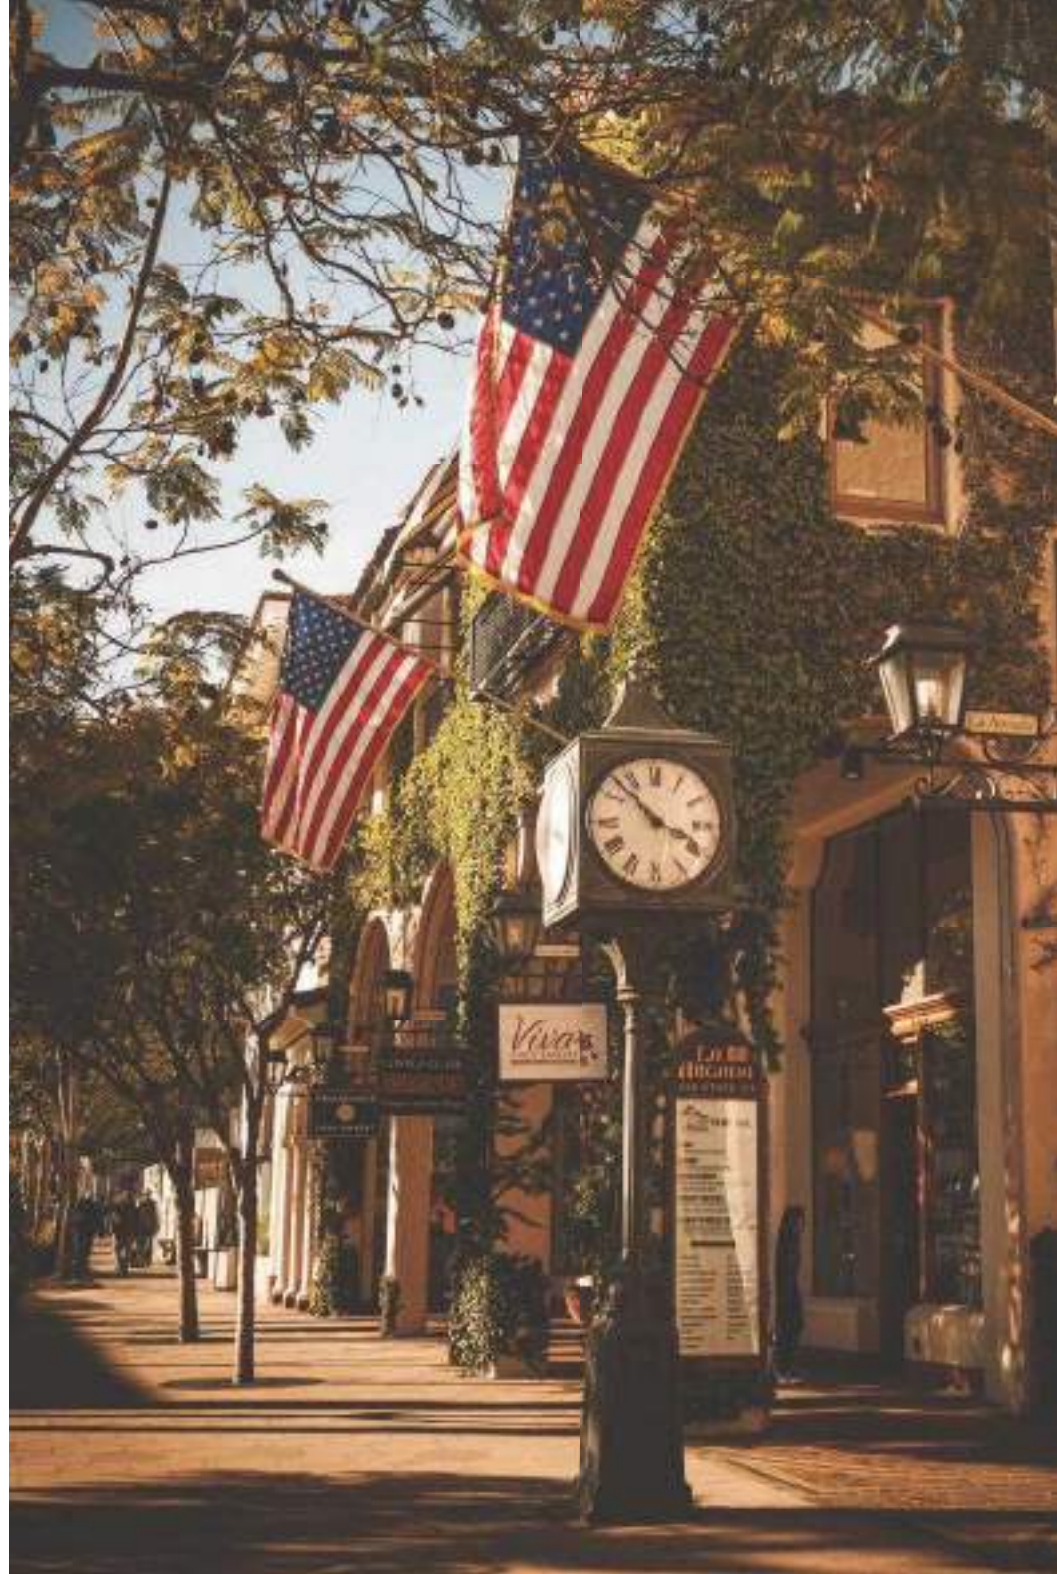

WELCOME TO A LAND OF BIG PROMISES, bold flavours and open hearts. A place where more has always been more.

Find yourself in the Santa Barbara hills, gazing down past the pretty red-tile roofs and adobe walled houses to the dazzling ocean beyond. EL ENCANTO has been the ultimate Hollywood hideaway for more than a century.

Still hungry? Dine deliciously as you rub shoulders with New York's movers and shakers at the ever-popular '21'.

The history, the art, the spirit. For a culture vulture these things can be addictive. You'll find your next hit in the colourful cobbled streets of San Miguel de Allende. At CASA DE SIERRA NEVADA you can step out and see what so enchanted the likes of Frida Kahlo and Diego Rivera.

But the waves are calling, and they sure do sound delightful. Stretch out beside the jungle of the Riviera Maya at MAROMA, sip a chilled rum cocktail at CAP JULUCA in Anguilla or let the hours pass you by as you laze atop the platinum sands of St Martin at LA SAMANNA. These escapes each have such distinct personalities, but when it comes to relaxation, there are no wrong options.

The sea was deliciously warm.
Yet somehow the smiles were warmer. ☺

Heart-felt, Untamed Adventures

MUCH LIKE THE PROUD, DRAMATIC BAOBAB TREES THAT GRACE THE PLAINS OF BOTSWANA, our roots in Africa run deep and hold strong.

Cape Town is a city full of surprises – from the penguins sunbathing on Boulders Beach to the clouds that cascade dramatically over the edge of imperious Table Mountain. The city's stark and scarred history is not hidden, but is complimented by one of the world's most dazzling and avant-garde culinary scenes.

At the heart of it all you'll find the MOUNT NELSON, blushing pink with its own stardom. Its doors swung open in 1899, and from that moment visionaries and glitterati alike flocked to visit. She was painted pink for peace in 1918. Today the colour is still celebrated throughout the storied halls.

Looking for something more wild? Head north to Botswana and discover the natural riches of the Okavango Delta. This UNESCO World Heritage Site is an Eden for flora and fauna. The unpredictable flooding of the wetland mean that you'll find stunning feathered friends, colourful fish and awe-inspiring big game throughout the year.

Nobody is better placed to show you the wonders of the region. Our three SAFARI lodges each have a distinct personality and setting, offering exclusive ways to bring you closer to the natural world. Whether heading out on horseback, helicopter or traditional canoe, every moment will have your heart racing and your imagination ablaze.
