### ARTFUL AFTERNOON TEAS

Afternoon Tea has always made iconic moments at the Mount Nelson. Settle into our inviting contemporary Lounge with the soothing sounds from our pianist, Henry Dike, and enjoy a sumptuous Afternoon Tea.

Linger in the conservatory or outside on the terrace until the shadows start to lengthen. It'll soon be time for a sundowner...

Note: for every Afternoon Tea ordered, R10 will be donated to Soupathon, a local soup kitchen that feeds close to 50,000 hungry people every week. The Mount Nelson has been supporting Soupathon since it was launched just after the nationwide lockdown began on 27 March 2020.
