

BAIE
LONGUE
BAR

One of the longest and most secluded beaches on the island, Baie Longue stretches from Belmond La Samanna to “Pointe du Cannonier,” the westernmost point of St Martin and the site of a pre-Columbian village dating back to 600 BCE.

Perched above the shimmering bay, Baie Longue Bar is the perfect start to the evening, a location for all to gather and enjoy the breathtaking Caribbean sunset.

We are delighted to offer a large range of classic and revisited cocktails, prepared with the finest ingredients, homemade syrups and infusions. If you wish to have a personalized cocktail, please do not hesitate to ask the bartender.
