Nothing beats being gifted an experience, whether it's a cookery class or an unforgettable treat to share with loved ones.

Our gift cards allow you to wrap up the charm of Belmond Le Manoir and present it as a Christmas treat that will be remembered for years to come. We will help create your personalised gifts to send a unique touch of luxury to your friends or family. Let us know your monetary value you wish to spend and we'll do the rest for a perfect surprise.

For those who appear to have everything, something exciting to look forward to in the New Year might be the answer. For your foodie friends, a day in The Raymond Blanc Cookery School is the perfect gift, with courses ideal for the kitchen novice or the talented amateur chef. One-day and half-day courses introduce a range of themes, from conquering canapés to dinner party master classes, there's something for everyone.

Or, surprise your nearest and dearest with a relaxing overnight stay, or a gastronomic experience, in Le Manoir's celebrated two Michelin-star restaurant.
