Spring floral inspiration with Jonathan Moseley

Join us as we welcome Jonathan Moseley to celebrate the long awaited arrival of spring. His virtual Le Manoir masterclasses share the skills and techniques required for two beautiful designs for you to create at home.

Using quintessential spring flowers including Tulips, Hyacinths, Freesia and Narcissi we will create gloriously fragrant table centres, divinely delicate in pastel shades with spring branches, vesty fruits and luscious garden foliage. The second design, a rustic spring basket, uses mosses, raffia and bark and will incorporate growing plants like Primula, Narcissi and Muscari teamed with elegant Roses, Alstromeria and Tulips.

Join a live and interactive class, with step-by-step instructions for your own joyous masterpieces.
